REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS.

1. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall

not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

ABERDEEN.

Foreign Office, August 22, 1843.

The Queen has made known her pleasure,—

9th. "That the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, their Majesties King George IV., and King William IV., on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot pro-

perly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover."

ABERDEEN.

Foreign Office, July 6, 1846.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:—

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Se-

cretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CIRCULAR, No. 121.

Admiralty, June 14th, 1838.

[REGULATIONS FOR THE ENTRY OF BOYS AND MEN INTO THE NAVY—PAY—LEAVE—GRATUITIES—PENSIONS, &c., AND THE PAY OF WARRANT OFFICERS.]

My Lords Commissioners of the Admiralty have had under their consideration the question of the entry of men for the Royal Navy, together with a report from a committee of naval officers appointed to enquire into the subject.

Their Lordships are of opinion that it is highly important to give the Royal Navy a more permanent organization, both as a means of increasing its efficiency and discipline, and of substantially promoting the welfare and comfort of the petty officers and seamen of the fleet.

My Lords are desirous that the change in the existing system should be accomplished wholly by voluntary means. Seamen are therefore to be permitted, as at present, to enter for the customary period of service, and for particular ships; but by the future entry of boys for longer terms of continuous and general service, and by holding out the inducement of increased pay and other advantages, to men who volunteer to serve under the new system, their Lordships contemplate that a gradual and beneficial change will be introduced in the present mode of manning Her Majesty's Ships.

With this view they are pleased to direct that the following measures be carried into effect.

BOYS.

All boys under the age of 18, who hereafter enter the Navy, are to be required to enter into an engagement, according to the forms, No. 93, to serve Her Majesty for a period of ten years continuous and general service from the age of 18, in addition to whatever periods may be necessary till they attain that age. If above the age of 18 when entered, they are to be required to engage for 10 years continuous and general service, from the date of first entry.

No boy is under any circumstance to be entered under the age of 14, or below the following standard of height.

Age	Stature.
	<i>ft. in.</i>
14 & 15 not less than	4 8
15 & 16	4 10
16 & 17	5 0
17 & 18	5 2
After 18	5 4

Weight, though dispensed with as a qualification, is to be inserted, for information, in the reports of survey.

All officers entrusted with the important duty of entering boys, are strictly enjoined to use the greatest care and circumspection in ascertaining that they are in all respects fit for Her Majesty's Service, before they are entered. Previous to such entry being confirmed, a survey is to be held on them by two Captains, or Commanders, or one of each rank, and two Medical Officers; who are to certify, according to the forms, No. 93, to the boys being of perfectly sound and healthy constitutions, free from any physical malformation, or other defect, and to their being in all respects fit for the service.

A similar course of proceeding, as far as circumstances admit, is to be followed in the case of boys entered on foreign stations.

Outfit.—The sum of 40*l.* which is now required as an outfit for boys on their first entry, is, for the future, to be dispensed with.

Employment as servants.—All boys of the 2nd class, including boys from the school ships and from the Greenwich schools, may be employed as servants, when required, according to the usage of the service; but all officers in command

are to take care that the employment of boys in this capacity does not, on any account interfere with their systematic schooling, instruction in gunnery, exercise aloft, and other branches of a seaman's duty; or in useful trades of which they may possess a knowledge.

Promotion to 1st class.—If a boy should be more than ordinarily active and well conducted, he may, at the discretion of his Captain, be promoted to the first class at the age of 16, provided he shall have been at least one year at sea.

Entry of 1st class Boys.—Although it is desirable that all boys who are entered in the 1st class should have been at sea, or accustomed to boats, such qualification is not to be considered indispensable, in the case of promising lads who are found in all other respects fit for Her Majesty's Service. The existing regulation for the instruction and training of 1st class boys, to qualify them for seamen, is to be strictly enforced.

Promotion.—Boys who produce proof of having been at least two years at sea, may, in special cases of good conduct and ability, be rated 2nd Class Ordinary, or Ordinary Seaman, according to their qualifications, after the age of 18. No person is to be retained in the rating of boy after the age of 20.

Discharge by purchase.—All boys of good character and conduct, whether entered for continuous service or otherwise, may be permitted to purchase their discharge according to the following scale; the amount being graduated according to their length of service, and the consequent expense that has been incurred on their education and training.

Under 3 years service	£.
After 3 and under 5 years	8
After 5 years service	12

Discharge of ineligible boys.—When a ship is inspected, or paid off, the Captain or Commanding officer, is to report the names of such boys as he may consider, from inferior stature, want of physical strength, or other valid cause, to be unfit to be retained in the service, in order that, after a special survey, they may be discharged.

Advantages of continuous service.—All the advantages granted for continuous and general service, as hereafter shown, are to be fully explained to the boys now serving, the option being left to them of accepting such advantages, or otherwise.

Increase of pay.—Boys who have entered for continuous and general service, are, when advanced to any of the under-mentioned ratings, to be allowed the following rates of pay, in addition to the present pay of the Royal Navy.

	Per calendar month of 31 days.	Per annum.
	<i>s. d.</i>	<i>£. s. d.</i>
2nd Class ordinary seamen	2 7	1 10 8
Ordinary seamen	5 2	3 0 10
Petty officers leading and able seamen 7 9	4 11 8	

They will also be eligible to be granted pensions after shorter terms of service than at present, as hereinafter specified.

SEAMEN.

The above additional rates of pay are also to be allowed to all the petty officers, and seamen, as shown in the table of pay under the following conditions:—

1. To all men who volunteer for ten years continuous and general service.

2. To men who may hereafter enter the Navy for the first time for the usual period for which a ship is commissioned, and who afterwards volunteer, at any time before the ship in which they are serving is paid off, for such farther periods as may be necessary to complete ten years continuous and general service from the date of their first entry. The increased rates of pay to commence from the date of their so volunteering.

3. To men who have already served in the Navy, or who are now serving, and who volunteer for not less than seven years further continuous and general service.

4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 20 years service from the age of 18; provided in the latter case, such period of continuous and general service to be completed be not less than five years.

5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 21 years from the age of 20.

6. Men who have once completed an engagement under any one of the foregoing conditions, will be entitled to the higher rates of pay by re-entry for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional rates of pay are only to be given for continuous and general service; and that pensions after 20 years total service from the age of 18, will be awarded only to men who have served under any of the foregoing conditions.

All men who engage for continuous and general service are to sign an agreement to that effect, according to the form, No. 93. They are to be distinguished on the ship's books by the letters C.S. (continuous service) being placed in Red Ink, immediately under their ratings, and the date of entry for continuous service is to be entered in the column for that purpose in the Ship's Books.

Servants, musicians, bandsmen, butchers, barbers, tailors, and sick berth attendants, and others, as stated in the table of pay in the appendix, are to be entered as at present, and are not to be considered as forming a part of the permanent Navy. No Pensioners are to be entered for continuous service.

Allotments.—The allotments of seamen who enter for continuous and general service, will remain in force during the period of their engagement, unless cancelled by themselves under existing regulations. All seamen joining Ships are now to be allowed to make allotments on the day of entry.

Exchange of Seamen.—In carrying out the arrangements of the Naval Service under the new system of continuous service, the Commanders-in-Chief at home and abroad will afford facilities for the exchange of seamen to different ships, whenever the public service will admit, but in all cases the sanction of Captains in command must be obtained; and such exchange will be permitted only to men of good character.

Extension of term of service.—The term of service for which a seaman shall hereafter enter may, as at present, be temporarily extended, in the event of any emergency, or necessity, which, in the opinion of the Lords of the Admiralty, or a Commander-in-Chief on a foreign station, may render such temporary extension requisite; and any man so detained beyond the term of his agreement, is to be entitled to 2d a-day, in addition to the pay of the rating which he may hold.

Period of service and leave.—It is to be generally understood, that when the public service will admit, the customary period of service abroad will not be exceeded; and that six weeks leave of absence will usually be granted on the return of ships to England, and further leave during each year, whenever the service will permit. When ships are put out of commission, or paid off, the continuous service men are to be discharged, as disposable supernumeraries, on the books of the Flag Ship at the port; unless, prior to going on leave, they have been entered on the books of a sea going or other ship as part of complement.

In hospital at home.—Petty officers, seamen, and boys, entered for continuous service, who may be sent to hospital or sick quarters at home, will not be checked as formerly for time and pay at the rate of 30 days, but will continue to have both; but after the expiration of the 30 days, petty officers and able seamen will be subject to a deduction of 10d. per day from their pay. Ordinary seamen and 2nd class ordinary seamen, 2d a-day, and boys 4d. per day, to be charged against them on the Ship's books; and men in hospital, when a ship sails for Foreign Service, are to be discharged to the Flag Ship's Books.

Leading-seamen.—As an inducement to seamen to render themselves proficient in all branches of their duty; my Lords are pleased to direct that a higher class of able-seamen be established, under the denomination of "leading-seamen," and with an additional pay of 2d. a-day each. To consist of men who are thorough helms-men, and leads-men, able to assist in repairing sails, and who are practical riggers, capable of doing duty as such in any part of a ship; to undergo an examination for the rating, conducted by the Commander, Senior Lieutenant, Master and Boatswain; to wear a badge of distinction, (according to pattern); to be exempted from corporal punishment, except by sentence of a court martial, or for

mutiny; to be reduced for the commission of any grave offence in the same manner as petty officers, having been first deprived of any good conduct badges they may possess. The number of leading-men in each ship to be according to the schemes of complement annexed hereto. The increased pay of 2d. a-day is to be allowed without reference to a man entering for continuous service. Seamen-gunners of both classes, if duly qualified as leading seamen, are to receive the above 2d. a-day, in addition to their pay as seamen-gunners.

Shipwrights.—A new rating of "shipwrights" is to be established. One-third of the carpenter's crew is to be composed of this class. Shipwrights are to be granted 2d. a-day each in addition to the pay of the carpenter's crew, and tool money as at present, irrespective of their term of service. Their qualification is to be ascertained by examination, previous to their being so rated; if at a home port, the examination is to take place at the dockyard by such competent officers as may be selected by the superintendent; if on a foreign station, by three carpenters, when practicable.

Landmen.—The pay and duties of 2nd class ordinary seamen and landmen being identical, the latter rating is to be abolished.

Good-conduct badges.—Time served as 2nd class ordinary seamen is, prospectively, to count as time served as ordinary seamen, for the good conduct badge and pay.

Men absent without leave or imprisoned.—Men and boys who have absented themselves without leave, or who have wilfully overstaid their leave more than 48 hours, are to forfeit their pay; but the allotment is not to be stopped during the period of their absence; and men or boys sent to goal by the sentence of a civil magistrate for any offence committed within the United Kingdom or British Colonies, are likewise to be mulcted of their pay, during the period of their confinement; the amount of pay forfeited is to be charged against them on the Ship's Books by the Captain; unless under special circumstances, to be represented by the Captain, the Lords Commissioners of the Admiralty, or the Commander-in-Chief on a foreign station, should think proper otherwise to direct. In all cases of mulct of pay, the circumstances are to be duly noted in the ship's log, and in the quarterly return of punishments. This regulation is not to interfere with the directions contained in the Queen's Regulations, Art. 5, page 108, relating to men absent without leave when a Ship is about to proceed to sea.

Conveyance of seamen to their homes when paid off.—On ships being put out of commission, every facility is to be given, consistently with the convenience of the service for conveying the men paid off to such of the ports, frequented by Her Majesty's Ships, as may be nearest to their places of residence.

Commander's servant.—Commanders, under Captains in rated ships, are to be allowed a servant; to be borne and paid as a second class ordinary seaman.

Seamen-gunners.—My Lords are of opinion that the system under which seamen-gunners are now entered requires modification, with a view both to its increased efficiency and extension. They are therefore pleased to direct, that men who may hereafter enter as seamen-gunners, be divided into two classes. 1st class men are to be entitled to an additional pay of 2d. a-day, and the 2nd class to an additional pay of 1d. a-day each; the pay in question to be granted according to their qualifications and irrespective of length of service. The 1st class to be eligible to be promoted to the situation of gunner's mates and gunners; the 2nd class should be held qualified to perform the duty of captain of guns.

The existing regulations relating to seamen-gunners who have already been entered for five years are to remain in force, except as regards men who volunteer for continuous service, and who may be deemed eligible for either of the above classes.

In entering men hereafter for the "Excellent" preference is to be given to those who volunteer for continuous and general service.

PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service, to establish a class of chief petty officers; they therefore direct that the following be established accordingly:

Chief Petty Officers.—Master-at-arms.

Chief gunner's mate.

Chief boatswain's mate.

Admiral's coxswain.

Chief captain of forecastle.

Chief quartermaster.

Chief carpenter's mate.

Seamen's schoolmaster.

Ship's steward.

Ship's cook.

Chief Petty Officers will be allowed the rates of pay stated at page 206.

Petty officers who enter for continuous service are to carry their commissions as chief, first, or second class petty officers from ship to ship; & being left open to the captains of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

Examination for the rating of petty officers.—Seamen, before being promoted to the rating of petty officer, are to be examined by the following officers: the commander or senior lieutenant, master, gunnery lieutenant, and the warrant officer of the class required. In rating petty officers, a preference is to be given to men who have entered for continuous service.

The above officers are to sign the ticket of examination, which should be retained in the captain's office, appended to the description-book; to be produced to any flag or other officer who may muster or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for good-conduct gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

The long service medal-gratuity to 2nd class petty officers is to be increased from 7l. to 10l.

Petty officers and seamen who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 5 years service in man's rating	£12
After 5 and under 7 years	10
After 7 and under 9	8
After 9 and under 10	5
After 10 and upwards, from the age of 18	free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 2l. upon the foregoing rates.

PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years service from the age of 18, instead of after 21 years service from the age of 20, as at present. Their Lordships also reserve to themselves a discretionary power of awarding pensions of 6d. a day each, after ten years service, from the age of 18, and same age of 6d. a day each, after 15 years service from the same age, to all men now in, or who may hereafter enter the Navy, whenever their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years service will be held liable, under the 10th clause of the Pensions Regulations (dated the 1st January, 1849), to serve again in the Navy if required, in the event of an armament, or war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system, for which he entered, will not preclude his being granted a pension after 10 or 15 years combined service, whenever their Lordships shall think proper to grant pensions after those periods.

Petty officers who have completed 15 or 20 years service will, when pensioned, be granted double the present allowance for the time they have served, as a petty officer, provided they

shall have entered, and served for one continuous period of not less than ten years, unless invalidated for wounds or hurts received on duty; that they shall have been discharged with the rating of petty officer; and that their character in such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of 1l. 10s. 5d. a year (in lieu of 15s. 2d.) for each year he may have served as such; and a 2nd class petty officer 15s. 2d. a year (in lieu of 7s. 7d.) for each year served as such.

Summary.—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, my Lords desire that these advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

Pay.—Continuous service men will be entitled to the rates of pay stated at page 204.

Pensions.—Pensions will be granted after 20 years service from the age of 18, instead of after 21 years from the age of 20; and as leave will be allowed when Ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 19 years actual service than they would have received under the present system for 22 years actual service.

Pensions may also be awarded after 10 and 15 years service from the age of 18. Thus seamen may be granted pensions at the ages of 23, 28, and 33 respectively, instead of 23 or 44, the average age at which long service pensions are now awarded.

These pensions will range from 9l. 4s. a year to 40l. a year. The allowance for time served as a petty officer will, in awarding pensions, be doubled to men who enter for 10 years continuous and general service.

Greater permanency will be given to a man's connexion with the Naval Service. On returning from leave he will be entered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of these officers be increased as follows:—

	Sea Pay.		Per annum.
	Per day.	s. d.	
1st class	6	7	£20 2 11
2nd class	5	8	108 8 0
3rd class	4	9	86 18 0

	Harbour Service Pay.		Per annum.
	Per day.	s. d.	
1st class	5	7	£101 17 11
2nd class	4	8	79 8 4
3rd class	3	6	63 17 6

Warrant officers who are still paid for particular rates of ships, according to the regulations in force prior to the Order in Council of the 28th April, 1836, will be allowed the following increased scale of harbour service pay.

	Per day.		Per annum.
	s. d.	£ s. d.	
1st rate	5	7	101 17 11
2nd rate	5	2	94 5 10
3rd rate	4	9	86 18 9
4th rate	4	4	79 1 6
5th rate	3	11	71 9 7
6th rate	3	6	63 17 6

My Lords desire it may be distinctly explained to the warrant officers, individually, that in awarding the above liberal scale of pay, their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, by insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their Lordships' intention in this respect.

In the cases of officers of exemplary character and conduct, two years harbour service may, prospectively, be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their approbation of the services of this deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and daring in the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may deem them, after undergoing an examination, entitled to receive, and competent to fill; and all warrant officers so promoted will be granted, respectively, the sum of 100l. as an outfit.

The additional pay of warrant officers is to commence on the 1st of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, their Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Coast-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Coast-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension: as if served in the Royal Navy; time served as chief and commissioned boatmen being subject to the rule laid down in the foregoing clause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in man's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of thoroughly good conduct.

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional pay.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Chief Petty Officers.....	Crown and Anchor encircled with Laurel.
1st Class Petty Officers.....	Crown and Cross Anchor.
2nd Class Petty Officers.....	Crown and Anchor.
Leading Seamen.....	The Anchor.

These regulations are to take effect on and after the 1st July next; except as regards men entering for continuous service on Foreign Stations, where they are to commence so soon as they are understood by the men, and they volunteer for continuous service; and all existing regulations not cancelled or modified by those now promulgated are to remain in force.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be filled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy.

By Command of their Lordships,

R. OSBORNE.

By Her Majesty's Order in Council of the 11th March, 1855, it is enjoined that the only exceptions to the provisions contained in Art. 3. Chap. 2, page 8, of the Queen's Regulations, shall in future consist as follows, viz.:

1. That a Captain shall be allowed to reckon as time served at sea the period during which he may have been employed afloat on surveying or other duties; provided that during such period he shall actually have had the charge in command of some surveying ship or other sea-going vessel, and provided also that he shall have been borne for such service as additional Captain on the books of one of Her Majesty's rated ships.

2. That a Captain Superintendent of one of Her Majesty's Dockyards shall be allowed to reckon as time served at sea the period during which he may have been so employed; but time served by an Officer as Superintendent of one of Her Majesty's Victualling Yards or Hospitals will for the future be no longer allowed to reckon as equivalent to time served at sea.

HALF-PAY.

Admiralty, 30th September, 1855.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receive

ing Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration. otherwise it will not be received.

HALF-PAY.

Admiralty, 30th September, 1833.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioners and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks. **CHARLES WOOD.**

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

Admiralty, 15th November, 1833.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Purser—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,

JOHN BARROW.

MATES—HALF-PAY.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be stopped.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

EXAMINATION FOR THE RANK OF LIEUTENANT

Admiralty, August 2, 1836.

With reference to Art. 21, Chap. 2, page 31, of the Admiralty Instructions, which provides that Mates, who have already passed their examination abroad, shall pass an examination at the Royal Naval College, within two months of their return to England, in order to entitle them to confirmation from the date of their first Certificate; and it appearing that some misapprehension has arisen on this point, and that it has been supposed that, provided a Mate passes within the specified period, it is immaterial whether he fail, or otherwise, in his first examination at the College; my Lords desire that, in future, it may be clearly understood, that Mates who have already passed abroad are at liberty to select either the 1st, 2nd, or 3rd examination day at the Royal Naval College, after their arrival in England; or, if belonging to a ship under orders to be paid off, on the 1st, 2nd, or 3rd examination day after having been so paid off.

If rejected on any examination day, officers will incur the forfeiture of 3 months' seniority in their rank as Mates, instead of being allowed to take seniority from the date of their passing in Seamanship; a second rejection will incur the forfeiture of 6 months' seniority, and a 3rd rejection 9 months (in the whole). All other cases will be dealt with specially by the Board of Admiralty.

The non-appearance of Officers for Examination at the times required by these Regulations will be considered as a tacit acknowledgment of their not being qualified, and will be dealt with in the same manner as if they had been actually rejected on each day on which they may have omitted to appear, viz. —Non-appearance on the 3rd Examination Day will incur the forfeiture of 3 months' seniority; non-appearance on the 4th day, 6 months; non-appearance on the 5th day, 9 months; and all other cases of Mates not appearing must be specially reported to the Board for the decision of their Lordships.

By Command of their Lordships,

W. A. B. HAMILTON.

CIRCULAR, No. 38.

*[Examination of Masters, and Second Masters.]**Admiralty, December 17th, 1842.*

The Lords Commissioners of the Admiralty having had under their consideration the present Regulations for the Examination of Masters and Second Masters of Her Majesty's Fleet, as defined by art. 21, chap. 2, p. 23, and art. 25, chap. 2, p. 25, of the printed Instructions, have been pleased to direct that on and after the 1st of January next, the following Regulations shall be adopted, viz:—

All Officers passing for the rank of Master or Second Master (or Officers from the Merchant Service who are Candidates for those ranks, under the Queen's Regulations, art. 6, chap. 2, p. 24) shall be examined in Seamanship, either at home or abroad, by one Captain or Commander, and three Masters; and after having received a Certificate of having passed such Examination, they shall undergo their Examination in Navigation at the Royal Naval College (instead of the Trinity House), under the same regulations and at the same period, as Midshipmen passing for Lieutenants; but the Examination for Pilotage is to be conducted at the Trinity House, under the rules and regulations at present in force, but subsequent to the above mentioned examinations. Having completed the above examinations they will be considered eligible for the rank of Master in the Royal Navy, provided they shall have served the time required by the Queen's Regulations.

The Seniority of Second Masters (or of Candidates for the rank of Master) is in future to reckon from the date of their passing as Seamanship for that rank; provided they shall subsequently pass in Navigation at the Royal Naval College, on the first, second, or third Examination day following, either of which days they are at liberty to

select; or, in the event of an Officer having previously passed abroad in Seamanship, he is at liberty, after his arrival in England, to select either the first, second, or third Examination day at the Royal Naval College; or if belonging to a ship under orders to be paid off, on the first, second, or third Examination day after having been so paid off, when, if he shall succeed in passing, he will be allowed seniority from the day of his having passed abroad. But no Second Master (or Candidate for the rank of Master) will be allowed such seniority who shall fail in passing at the Royal Naval College at the first trial, or who shall not pass at the Trinity House within a month after his having passed in Navigation.

Officers appearing before the Trinity Board for the purpose of passing in Pilotage must be qualified to take charge, as Pilot, of any of Her Majesty's frigates for the Coast and Ports for which Masters have hitherto been examined; and when they shall have served three years at least in Frigates or Sloops, they may be further examined as to their qualifications to take charge of Line-of-Battle Ships, but in this examination it will be required that they pass for the largest description of First-Rates. In the event of an Officer serving abroad as Acting Master of a Line-of-Battle Ship, the time so served may reckon as part of the aforesaid three years.

The Class of Ship of which Officers are capable of taking charge as Pilot will be stated in the Certificate granted to them by the Trinity House.

All Officers desirous of being examined in Pilotage at the Trinity House, either for the rank of Second Master, or as to their qualifications to serve as Masters of Frigates, or of Line-of-Battle Ships, should present themselves at the Admiralty, bringing with them a Certificate of their Birth, and also their original Certificates for the entire period they have been employed in Her Majesty's Service, or in Merchant Ships, in each of which Certificates the word Sobriety must be included. Similar Certificates must be produced by Officers presenting themselves to pass in Navigation at the Royal Naval College.

By command of their Lordships,

JOHN PARKER.

To all Flag Officers, Captains, and Commanding Officers, of Her Majesty's Ships and Vessels.

CIRCULAR, No. 97.

[Regulations respecting Masters' Assistants.]

Admiralty, Dec. 9th, 1851.

My Lords Commissioners of the Admiralty have been pleased to issue the following Regulations relative to the future Entry and Examination of Masters' Assistants in the Royal Navy:—

1. The Entries of Masters' Assistants will be limited to such numbers annually as their Lordships may from time to time direct.

2. The age and qualifications required for the admission of a Master's Assistant in the Navy are to be in accordance with the following rules, and the examination is to take place at the Royal Naval College.

A Candidate for an appointment as Master's Assistant must not be less than 14, nor more than 18 years of age, [unless he be selected from the Merchant Service, in which case the age is extended to 18, provided he has served two years at sea.] he must be in good health, and produce a certificate of his age, parentage, and regularity of conduct.

On his entry into the Service, if between the ages of 14 and 15 years, he is to pass the same examination as a Naval Cadet on his first entry.

If entered between the ages of 15 and 16 years, in addition to the above, he will be required to understand the practical use of the Sextant, and the mode of keeping a Ship's reckoning by working a day's work, and obtaining the latitude by observation.

If at the age of 18, he will also be required to know the mode of obtaining the longitude by Chronometers, the variation of the Compass, and he must be able to explain the mode of rigging lower masts and bowsprit, and the more simple evolutions of working ship under plain sail.

3. When a Master's Assistant has completed a service of three years with that rating, he must be examined by the Captain or Commander and the Senior Lieutenant

as to the progress he has made in obtaining a proper knowledge of practical seamanship in all its branches, fitting, turning in, and setting up rigging, shifting masts, yards, and sails, laying out and weighing anchors by Boats, taking Heave and Lead, stowage of provisions and water, and by the Naval Instructor in his knowledge of Navigation, determining the Latitude and Longitude by day and night observations, the use of Chronometers, the Azimuth Compass, and the mode of constructing Charts; and every Master's Assistant must serve three complete years after this examination before he shall be allowed to pass for Second Master; an Officer who may have been entered from the Merchant Service must also pass this examination; but in order that he may not lose the time which he may have served in the Merchant Service, he is to be allowed to pass this examination whenever he shall have completed one-half of the further period which he has to serve in the Royal Navy, and he may then pass for Second Master on completing the other half of such servitude.

4. Masters' Assistants, whilst serving on board H. M. Ships, are to be instructed by the Naval Instructor, for which he will be allowed the usual tuition money, and the expense will be defrayed by the Admiralty.

5. The Master of the Ship in which Masters' Assistants are serving is to instruct them in practical seamanship, and other branches of a Master's duty, as directed by the Admiralty Instructions, Chap. VII. Art. 21, page 217; and the half-yearly Report, or Form No. 224, is to show the advancement made by them from time to time.

6. On a Ship being paid off, Masters' Assistants will be entered on the Books of a Guard-Ship, for such time as their Lordships may direct, or until selected for another appointment, provided they possess good Certificates, and are recommended by their Commanding Officer.

7. Masters' Assistants, when they have completed their regulated period of servitude, and have passed their examinations for Second Master, will be placed on the List of the Navy in that rank, and will if employed receive the commission and pay of a Second Master (being borne in lieu of Masters' Assistants, if there should not be vacancies for Second Masters in the Ships in which they may be serving); but they will not be eligible for promotion to the rank of Master until they shall have served two years further in the capacity of Second Master.

8. Masters' Assistants passing abroad in Seamanship, and temporarily in Navigation and Pilotage, are to be appointed by their Commanders-in-Chief, or by their Commanding Officers, to be acting Second Masters, in the same manner as is provided for Midshipmen to be rated Acting Mates when they pass their examination for Lieutenant, but they must be borne in lieu of Masters' Assistants.

By Command of their Lordships,
JOHN PARKER.

If appointments are made before the examination at the end of the second year, the half-yearly examination immediately previous to the occurrence of the vacancy shall be the test of ability, but in all cases the Candidate must have reached the points fixed in paragraph numbered 2, to entitle him to an appointment, and will be placed on the List of Officers according to the ability shown at such examination.

No Cadet will be allowed to proceed to the College until he has passed through the whole plan of instruction laid down for Marine Cadets in the "Excellent," and he will not be received at the College unless he produces a Certificate of good conduct from the Captain of the "Excellent."

All the Examinations proposed are to be carried on by the Professor at the Royal Naval College under the direction of the Captain of the "Excellent."

4. Cadets during the first year of their appointment will not be eligible for a Commission if there are any Cadets in their second year who can pass the requisite Examination.

5. Cadets are to be subject to Naval discipline, to receive the same pay as Mates, and to be considered in all respects as Quarter Deck Petty Officers.

6. Cadets are to wear the Dress Coat of the Corps of Royal Marines, without lace, on ment, or epaulettes, in lieu of which they are to wear Shoulder Straps of plain gold cord, Trowsers according to regulations, and Dress Caps (in undress they are to wear the Blue Cloth Shell Jacket, with Red Cuffs and Collar, by Order, 27th Aug., 1848) with Shoulder Straps, Grey Cloth Trowsers, or White Drill Trowsers, according to Regulation.

REGULATIONS FOR CANDIDATES FOR THE OFFICE OF ASSISTANT-SURGEON IN THE ROYAL NAVY.

Admiralty, March 1st, 1898.

The Right Honorable the Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relative to the examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted:—

That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with the Regulations, and a Printed Form to be filled up by him, to show if he possess the required qualifications.

As Vacancies occur, the number of Candidates required will be ordered to attend at the Admiralty Office, bringing with them the requisite Certificates, showing that they are fully qualified by Age, Professional Ability, &c., when they will be examined by a Board of Medical Officers, to be named by their Lordships.

Such Candidates as shall have been found in all respects competent for the Appointment of Assistant-Surgeon, will be forthwith nominated to one of the Naval Hospitals at Home, to await Appointments to any of Her Majesty's Ships; or should their services not be immediately required, their names will be duly registered for early Appointments, as Vacancies may occur.

That no person be admitted as an Assistant-Surgeon in the Royal Navy, who shall not produce a Certificate from one of the Royal Colleges of Surgeons of England, Edinburgh, or Dublin, or from the Faculty of Physicians and Surgeons of Glasgow, of his fitness for that Office; nor, as a Surgeon, unless he shall produce a Diploma, or Certificate, from one of the said Royal Colleges or Faculty, founded on an examination to be passed subsequently to his Appointment of Assistant-Surgeon, as to his fitness for the situation of Surgeon in the Navy; and in every case the Candidate producing such Certificate, or Diploma shall also undergo a further examination, touching his qualifications in all the necessary branches and points of Medicine and Surgery for each of the stations in the Navy Medical Service; and that previously to the admission of Assistant-Surgeons into the Navy, it will be required that they produce proof of having received a preliminary classical education, and that they possess in particular a competent knowledge of Latin; also,

That they are of good moral character, the Certificate of which must be signed by the Clergyman of the Parish, or by a Magistrate of the District.

That they have served an Apprenticeship, or have been engaged for not less than six months in Practical Pharmacy.

That their age be not less than 20 years nor more than 25 years; and that they are unmarried.

That they have actually attended an Hospital in London, Edinburgh, Dublin, Glasgow, Aberdeen, Manchester, or Bristol, for eighteen months subsequently to the age of 18, in which Hospital the average number of patients is not less than 100.

That they have been engaged in actual dissections of the human body twelve months; the Certificate of which from the Teacher must state the number of subjects or parts dissected by the Candidate.

That they have attended Lectures, &c., on the following

subjects, at established Schools of Eminence, by Physicians or Surgeons of the recognised Colleges of Physicians and Surgeons, in the United Kingdom, for periods not less than hereunder stated; observing, however, that such Lectures will not be admitted if the Teacher shall Lecture on more than one branch of Science, or if the Lectures on Anatomy, Surgery and Medicine be not attended during three distinct Winter Sessions of Six Months each.

In addition to the Tickets for the Lectures, Certificates must be produced from the Professors, &c., by whom the Lectures were given, stating the periods (in months) actually attended by the Candidates. The time also of actual attendance at an Hospital or Infirmary must be certified; and the Tickets as well as Certificates of attendance, age, moral character, &c., must be produced by the Candidate previously to his examination.

Although the above are the only qualifications which are absolutely required in Candidates for the Appointment of Assistant-Surgeon, a favourable consideration will be given to the cases of those who have obtained the Degree of M.D. at either of the Universities of Oxford, Cambridge, Edinburgh, Dublin, Glasgow, London, or Aberdeen; or who by possessing a knowledge of diseases of the Eye, and of any branch of science connected with the profession, such as Medical Jurisprudence, Natural History, Natural Philosophy, &c., appear to be more peculiarly eligible for admission into the Service, observing, however, that Lectures on these or any other subjects cannot be admitted as compensating for any deficiency in those required by the Regulations.

By the Rules of the Service, no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served three years (one year of which must be in a Ship actually employed at sea), and can produce a Diploma from one of the before-mentioned Royal Colleges or the Faculty of Physicians and Surgeons, and it is resolved that not any Diploma or Certificate of examination from either of the aforesaid Royal Colleges shall be admitted towards the qualification for Surgeon, unless the Diploma or Certificate shall be obtained on an examination passed after a period of not less than three years' actual service, observing that no one can be admitted to an examination for Surgeon unless as herein-before mentioned he can produce a Diploma, together with the most satisfactory Certificates that he has performed, on the dead body, under the superintendence of a Professor or Teacher of known eminence, all the capital Operations of Surgery, and is perfectly competent to perform any operation with skill and dexterity, and thoroughly acquainted with the anatomy of the parts involved in such operation; without which qualification, no one hereafter can be promoted to the higher branches of the Service; and whenever Assistant-Surgeons already in the Service (whose professional education may not be in accordance with the above) obtain leave to study previously to their passing for Surgeon, they will be required on their examination to produce testimonials of their having availed themselves of the period of leave to complete their Education agreeably to these Regulations generally.

* 6 Months' Lectures on Pathology, if given at a University where there may be a Professorship on that branch of Science, will be admitted in lieu of Six Months' Lectures on the Practice of Medicine.

It is also to be observed, that Candidates who may be admitted into the Naval Medical Service, must serve in whatever Ships, &c., they may be appointed to; and that in the event of their being unable to do so from Sea Sickness, their names cannot be continued on the Naval Medical List, nor can they, of course, be allowed half-pay.

By Command of their Lordships,
R. OSBORNE.

In order to prevent inconvenience to individual Officers as well as to His Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from their Kingdom without their Lordships' leave: and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

At the expiration of three months after the leave has expired, their half-pay will be re-paid (20th April, 1830). RULES AND REGULATIONS RESPECTING THE APPOINTMENT, RANK, EXAMINATION AND PAY, OF ENGINEERS,

(Under Her Majesty's Order in Council of the 27th of February, 1847).

Admiralty, 1st April, 1847.

Appointment and Rank of Engineers.

Engineers in Her Majesty's Naval Service are to be classed in three divisions, and to be thus denominated:—

Inspectors of Machinery afloat,
Chief Engineers,
Assistant Engineers.

The two latter divisions are to be divided severally into three classes, namely—

Chief Engineers of the First Class,
" of the Second Class,
" of the Third Class.

Assistant Engineers of the First Class,
" of the Second Class,
" of the Third Class.

Engineers will be considered, as at present, to belong to the Civil Branch of the Naval Service, and they will be appointed, and rank, as under-mentioned.

Inspectors of machinery afloat will be appointed by commission, and rank with, but after, Masters of the Fleet.

Chief Engineers will be appointed by commission, and rank with, but after, Masters.

Assistant Engineers will be appointed by order, and rank with, but after, Second Masters.

Examination and Qualifications of Engineers.

Inspectors of Machinery afloat.—Inspectors of machinery afloat will be appointed by their Lordships for the responsible duties of superintending generally the machinery of Steam Vessels attached to each station or squadron, and the candidates for such appointments must be men of experience and acknowledged ability, in whose judgment, integrity, and talent, implicit reliance can be placed.

Chief Engineer.—No person will be considered qualified to hold the commission of a Chief Engineer, who is not able to keep accounts, make notes in the Log of every particular of the working of the engines, and boilers, draw rough sketches of any part of the machinery, with figured dimensions fit to work from, be able and willing to exert himself practically as a workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting, the various working parts of the machinery, and mending good the defects of boilers. He must therefore possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, coupled with skill and experience as a practical mechanic.

He must be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works. He must understand how to

apply the indicator, and draw the necessary conclusions from the diagram.

He must be acquainted with the principle of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

The particular class to which a Chief Engineer will be appointed will depend not only on the result of his examination, but on his character, services, &c.

Chief Engineers will be examined at the Steam Department at Somerset House by the Chief Engineer and Inspector of the Machinery of the Navy, in the presence of the Comptroller of Steam Machinery.

Assistant Engineer.—He must be able to keep accounts and make rough working sketches of engines and boilers.

He must produce certificates of servitude in a factory, or other proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character.

He must understand the general principle of the engine, and be acquainted with the names of the various parts, and their uses.

The Second Class Assistant Engineer, in addition to the foregoing general requirements, must have served at sea at least one year, and produce proof of his capability to work engines, &c.

The First Class Assistant Engineer must have served at sea at least two years as an Engineer, and be competent to take charge of the engines when required to do so. He must be well acquainted with the principle on which the machine works in all its parts, be able to adjust the various working parts, and set right defects which may arise in the engines and boilers.

According to his acquirements in these points, his proficiency as a workman and his general character and servitude, will depend his promotion to the higher rank of Chief Engineer. But he will not be considered eligible for promotion to this latter rank until he shall have served three years in the capacity of First Class Assistant, or as "First Class Engineer" on the old establishment.

Assistant Engineers will be examined by the Chief Engineers and Inspectors of Machinery of the Government Factories, in the presence of the Superintendent of the Dock-Yard, or such other Officer as may be nominated for the purpose.

In the event, however, of the exigencies of the service requiring the entry of Engineers who may not have served at sea the full periods herein stated, but in other respects may produce proof of their qualifications, a deviation from these regulations will be allowed by the special authority, in each instance, of the Board of Admiralty, a notation to such effect being made on the passing Certificates, with a statement of the circumstances of the case.

All Engineers at present in the service are to be continued at their present rank and denomination until they shall have been examined and found eligible for promotion into the new establishment.

CIRCULAR, No. 50.

ACQUIREMENTS REQUIRED OF ENGINEERS.

Admiralty, 28th January, 1850.

My Lords Commissioners of the Admiralty having by their Circular Order of the 1st April, 1847, No. 82, relative to the Examination, Pay, &c. of Engineers, directed that "Certificates of service in a Factory, or proof of acquaintance with Engine work," shall be produced before an Assistant Engineer be promoted to the rank of Chief Engineer; and the attention of my Lords having been called to the difficulties which have been experienced in ascertaining the capabilities and acquirements, in this respect, of those Officers who have not served in Factories; likewise to the deficiency among the junior grades of Engineers, (especially of the young men brought up in the service,) in that mechanical skill, and knowledge, so essential to qualify them to undertake the responsible duty of Engineers in charge of machinery; my Lords are therefore pleased to direct that a shop be appropriated at Woolwich, and one at Portsmouth, under the superintendence of the Chief Engineer Officers of the Factories in those Dock-yards, in order that the Engineers, on Check, may have the opportunity of acquiring practical skill in the use of such tools as they may hereafter be called upon to use when afloat; and instruction, when necessary, will be afforded by a skilful mechanic, who will be selected for the purpose.

As means will be thus afforded to enable Engineers to acquire the requisite mechanical skill, no Assistant Engineer will, in future, be advanced to the rank of Chief

Engineer, or to that of First Class Assistant, unless he produces a certificate of servitude in a Factory, or of his competency as a workman, from the Engineer Officer of Woolwich, or Portsmouth, Dockyard.

It is further distinctly to be understood, that, in future, the periods of service required by the Regulations, as part of the qualifications of Assistant Engineers for promotion to the higher Classes, are to comprehend only the periods an Officer may be in receipt of full pay; but on a certificate of good conduct, and of reasonable improvement in Mechanical acquirement, being produced from the Chief Engineer of one of Her Majesty's Factories, half of the time employed in receiving instruction in the workshops will be allowed to reckon as sea time.

By Command of their Lordships.

H. G. WARD.

CIRCULAR, No. 59.

ENTRY OF MEN ON BOARD FLAG SHIPS AFTER HAVING BEEN PAID OFF.

Admiralty, 29th January, 1850.

With reference to their Lordships' Circular of the 1st September, 1846, No. 22, and to their General Orders of the 3th March and 11th October, 1849, signifying their Lordships' desire that when any of Her Majesty's Ships are about to be paid off, it may be distinctly made known to the Ship's Company that, if it wish to continue in the Service, they may, if their certificates of character are satisfactory, have their names entered on the books of the Flag Ships at any of the Home Ports, with the ratings they formerly held, and be granted six weeks' leave of absence, during which their Time and Pay will be continued, and on their return from such leave they will be at liberty to join any Ships fitting out at the Port they may select, provided they are found fit for the Service; and that if any circumstance should prevent their returning, and the expiration of their leave, no R. will be placed against their names, neither will they be deprived of any part of their servitude, previous to their having been paid off; my Lords are pleased to extend the period of six weeks' leave, above mentioned, to the term of eight weeks.

My Lords are further pleased to direct, that if any of the Ship's Company should not, when about to be paid off, wish to avail themselves of the advantages held out in the above Orders, they will be entered on board the Flag Ship at any Port they may choose, provided they present themselves within a period of eight weeks from the date of their last discharge;—that their certificates of character are satisfactory—and that they are found, after the usual examination, fit for Her Majesty's Service; and will be allowed the Time and Pay from the date of such re-entry; and may further be granted leave of absence, provided the same does not extend to a longer term than eight weeks, computing from the time they were paid off and on their return from leave they may volunteer for such ships as they may select; and in the event of their not returning from leave at the period specified, no R. is to be recorded against them. But Petty Officers, under these circumstances, can only be entered on the books of the Flag Ship as Able Seamen; but may be re-entered at their former ratings by the Captain of any ship for which they may volunteer.

Men who, under the foregoing Order, avail themselves of the eight weeks' leave, and wish to re-enter at another Port than that at which they have been paid off, are to have their names transmitted to the Commander in Chief, or Senior Officer, at such Port, according to the following form:—

List of MEN paid off from H.M.S. _____, at _____, who are volunteers for further service, and whose names are to be entered on the books of the Flag Ship at _____.

Name.	Rating.	Character.	Date of Discharge.	Leave.
A.G.	Capt. Fore-top	Very good	10 Jan. 1850	8 weeks

And the said list is to be considered as sufficient authority for inserting their names on the books of the Flag Ship their personal appearance being dispensed with.

The foregoing Orders have reference only to Petty Officers, Able and Ordinary Seamen, and Boys; and do not apply to Cooks, Servants, Landamen, or Musicians.

Every facility is to be given to the men to deposit their Hammocks, Clothes, &c. in the Dock-yards during their stay on shore, as pointed out in their Lordships' Memorandum dated the 18th April, 1842.

By Command of their Lordships,

J. PARKER.

MEMORANDUM.

Admiralty, 20 June, 1851.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

The attention of Officers is called to clause 4 in the said Memorandum.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
W. A. B. HAMILTON.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN OF THE BRITISH COLONIES.

1. Privileges in the acquisition of Land are at present allowed to Military and Naval Officers in the Colonies of New South Wales, Victoria, Van Diemen's Land, South Australia, Western Australia, New Zealand, Ceylon, and the Cape of Good Hope. As, however, the control of the waste Lands of the Crown in New Zealand is vested in the Legislature of that Colony, it must be distinctly understood that Her Majesty's Government cannot guarantee the continuance of the following regulations, but that they will be liable to be altered or discontinued by the local Legislature; and the same caution will be applicable to any other of the Colonies named, in which the same control may hereafter be transferred to the local Legislature.

The same privileges are extended to Officers of the East India Company's Service in Van Diemen's Land.

2. In the above-named Colonies land is disposed of by sale only; but Officers purchasing land are allowed a remission of the purchase-money, according to the undermentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 600*l*.

Field Officers, of 20 years' service and upwards, in the whole 500*l*.

Field Officers, of 15 or less years' service, in the whole 400*l*.

Captains, of 20 years' service and upwards, in the whole 400*l*.

Captains, of 15 years' service or less, in the whole 300*l*.

Subalterns, of 20 years' service and upwards, in the whole 300*l*.

Subalterns, of 7 years' service and upwards, in the whole 200*l*.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule:—but Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. *Mates* in the Royal Navy rank with *Ensigns* in the Army, and *mates* of three years' standing, with *Lieutenants* in the Army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, Officers of the Army and Navy on full or half pay, should provide themselves with a certificate from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master-General of the Ordnance, shewing that their settlement in a British Colony has been sanctioned, and stating their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. This Certificate will not on any account be issued more than once to the same Officer, or to any Officer on half-pay who shall for two years immediately preceding the date of this Notice have resided in the Colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of Land. This rule, however, is not to affect Officers who, having obtained permission to settle in a British Colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it

should be presented to the Governor of one of the abovenamed Colonies, which shall be sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the Regulations being to encourage the permanent settlement in the abovenamed Colonies of Military and Naval Officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, Officers will not, for the space of two years from the making out for their Certificates, receive a Crown Grant for any Land purchased by such Certificates, but will, in the meantime, receive a "Location Ticket." At the expiration of two years, the Officer, on shewing to the satisfaction of the Governor that he is *bona fide* a resident Settler in the Colony, and has so resided continuously since receiving his "Location Ticket," will be entitled to a Crown Grant in exchange for it. If, however, application should not be made for the exchange of the "Location Ticket" within 12 months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the Land will be open to sale or grant. In case of the Officer's dying while holding a "Location Ticket," the land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "Location Ticket" is obtained, the Governor of the Colony is authorized to make the Certificate available in favour of the Child or other nearest representative of the deceased Officer, as he may find advisable.

7. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

8. In Ceylon, land is sold by auction at an upset price which is to be fixed by the Governor, but which is not to be less than 1*l*. per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

9. At the Cape of Good Hope the upset price is two shillings per acre in the old Colony, and four shillings per acre in the district of Natal.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirty-first Day of March next, Our Royal Proclamation of the Thirtieth Day of July One thousand eight hundred and forty-nine, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenue of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and for the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of Our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of several new Ratings and Denominations, and certain alterations having been introduced and made in our Royal Naval Service since the Date of Our said former Proclamation, and for other Causes, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money:

We do, therefore, now make known to all Our loving Subjects, and to all others who may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That the Distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to Our Royal Navy in the manner of Prize Money, shall be made as follows; viz.—

That the flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c. with other ships or vessels of war, or of flag, the like regulation as to the apportionment of the flag share to the flag officer or officers is to be observed.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer, duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander under the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, and field officers of marines or of land forces or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

And when the list of those actually on board, and the separate list of persons absent though belonging to the ship or vessel, shall have been verified on examination with the muster books lodged as official records, the Accountant General of Our Navy shall, upon request, grant to the agent or agents nominated or appointed by the captors or seizers, &c., a certificate that such lists are correct or have been corrected, as occasion may require, in order that distribution of the respective prize or other proceeds payable as prize money may be duly made.

And in the event of difficulty arising with respect to any of the regulations hereby ordered, or if any case should occur not herein provided for, or not sufficiently provided for, We are pleased hereby to authorize the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, to issue such direc-

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'S SHIPS
FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have

been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King George the Third, Chapter 23th, intituled *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or of any other Article which may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered; We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War.

	For Crown Treasure	For Treasure belonging to other Parties.	
		Peace and War.	
		Gold or Jewels.	Silver.
	per Cent.	per Cent.	per Cent.
Between any Two Ports, the navigable Distance between which shall not exceed Six hundred Leagues.....	3 4	3 4	1

For any Distance of Two thou- sand Leagues and upwards	1	1 2	2

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the

Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves Judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1841, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only:

By Command of their Lordships,
SIDNEY HERBERT.

QUALIFICATIONS FOR THE UPPER SCHOOL OF THE ROYAL HOSPITAL, GREENWICH.

REGULATIONS FOR ADMISSION, &c.

This School comprises two Classes of Candidates.

1st. One Hundred Sons of Commissioned and Ward-room Warrant Officers of the Royal Navy and Marines.

2nd. Three Hundred Sons of Officers of the above or inferior rank, and of Private Seamen or Marines who have served or are serving in the Royal Navy; and of Officers or Seamen of the Merchant Service; to be nominated in such manner as may, from time to time, be directed by the Lords Commissioners of the Admiralty, such nominations to be filled up within six weeks after they are reported, or to be held as lapsed vacancies. The nomination thus presented will be transmitted to the Secretary, who

will cause the Candidates to be summoned for examination, in order to determine their qualifications for admission. The date of the nomination will determine the eligibility of the Boys as respects age.

The whole Four Hundred Boys are subject to the same regulations as to Education, Diet, Clothing, Discipline, and Destination.

No Boy can be admitted who is not possessed of the requisite qualifications, which are—to read fluently, write small text well, perform the rules of addition, subtraction, and multiplication with facility and accuracy; and to be free from any infirmity of body or mind.

The Age of Admission is from 10 to 11 years of age.

Not more than one child of the same father is to be admitted, unless under special circumstances by order of the Board of Admiralty.

The Education in this School embraces such Mathematical Instruction as is necessary for a proper knowledge of the principles of Navigation, Nautical Astronomy, the Theory and Practice of Marine Surveying, Construction of Charts, and the Practical Use of Instruments for Magnetic and Astronomical purposes, together with the usual Elements of an English Education, including the study of the Bible* and instruction in the doctrines of Christianity.

At the time of admission, two respectable Housekeepers (of whom the Father, if qualified, should be one) are to be jointly bound in the sum of Fifty Pounds, that the Boy shall not abscond from the School, nor embezzle or injure any of the Clothes, Books, Instruments, or other property of the Institution.

At the age of 15 (or sooner if the usual course of education is completed), all the Boys in the Upper School shall be sent to Sea, either in the Royal Navy or Merchants' Service, or otherwise disposed of as may be determined.

The following Certificates are in all cases to be produced previous to admission into the School:—

1. A Certificate declaring the Boy to be a proper Object for the Charity (*for which see p. 209*).

2. A Certificate of the Marriage of his Parents—or, if not attainable, other satisfactory proof thereof.

3. A Certificate of the Father's Servitude at Sea; if in the Royal Navy, it will be obtained by the Clerk of the Check of the Institution so soon as this Form is returned, if in the Merchants' Service, the Guardians of the Boy are to procure it from the Collector of Sixpenny Duty, or of Customs at the Port out of which the Father sailed.

4. Register of the Child's Baptism. If the date of birth is not officially stated in the Register of Baptisms a declaration of the day of birth before a Magistrate must be produced.

NOTE.

All the above directions must be strictly observed, or the admission of the Child will be delayed, if not wholly lost.

N.B. Information to Parents as to the Patrons who have Presentations to this School, according to the description of claim possessed by the Applicant, will be given by the Secretary of Greenwich Hospital.

When the Parents or Guardians of a Boy have obtained a Presentation for him, due notice will be given when he is to appear at Greenwich Hospital for examination and admission.

* Children of Roman Catholics or of Protestant Dissenters will not be required to learn the Church Catechism, and will be allowed to attend the Public Worship of the religious persuasion of their Parents, provided application be made at the time of admission by the Father, if living; and if the Father be dead at the time of the Child's admission, that the Marriage Certificate, of Baptismal Register of such Child, according to the rites and ceremonies of any established religious community, of a date previous to the Father's death, be received as the proper evidence of the religious tenets of the Father: that is, provided no authentic document written by the deceased Father be produced, expressive of contrary direction or wish with regard to the religious instruction of such Child.

Boy's Name.	Birth, and if living.	Mother's Name and Place of Birth, and if living or dead.	When and where married.	Residence.	Names of Ships in which Father has served.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The Rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1798, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably to this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1798, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) herewith annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

APPENDIX.

PLAN OF NAVAL RETIREMENT.

Admiralty, 25th June, 1851.

HER MAJESTY, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz:

1st. By the promotion of 50 Lieutenants by selection, as above stated.

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet; but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.
